

**Guidance for FY27 is currently not available, but you can
find guidance from FY26 below.
Please note that this is subject to change.**

The Subcommittee on Financial Services and General Government accepted FY26 CDS requests for the following accounts. Please be sure to read all the program requirements and guidance very carefully before selecting an account.

Small Business Administration, Administrative Provision:

- Projects in support of small businesses, including but not limited to entrepreneur training, counseling, and research.
- SBA CDS funding cannot be used to provide seed capital for small businesses, nor to make grants/loans, nor for the construction or acquisition of facilities.

National Archives and Records Administration, National Historical Publications and Records Commission (NHPRC):

- Projects to help ensure online public discovery and use of historical records collections, encourage public engagement with historical records, strengthen the nation's archival network, or publish documentary editions of historical records.
- This includes initiatives like record digitization, programming, and online availability of records.
- In considering how to develop your project, please review the NHPRC "[Eligibility](#)" page on NARA's website.

General Services Administration, Federal Buildings Fund, Construction and Acquisition or Repairs and Alterations Accounts:

- Construction projects typically include federal courthouses, federal buildings, or land ports of entry.
- Repairs projects must be **federally-owned properties** in need of major repairs or alterations and are typically federal buildings or federal courthouses.
- Eligible projects do not include state or county facilities, DOD facilities, VA facilities, or transportation infrastructure facilities.

Office of National Drug Control Policy, Administrative Provision (Prevention Grants):

- CDS projects should focus on evidence-based drug-related projects, such as primary prevention of substance use disorder.
- Preferred prevention programs would include community-based coalitions which, as part of their application, propose data-driven, evidence-based prevention interventions; have established measurable objectives; and proposed implementing a comprehensive mix of strategies.

- Drug-Free Communities (DFC)-funded coalitions recently trained by CDC to implement Adverse Childhood Experiences (ACEs) as part of their substance use prevention efforts are recommended.
- Allowable expenses include staff salaries and benefits for time spent on the project, building rent, and equipment.
- Unallowable expenses include (but are not limited to) real property purchases, and construction or renovation accosts.
- Programs should not be substance specific.
- Treatment programs are not eligible for CDS under this account
